It is with a happy heart and a bundle of excitement that I welcome you to Beaufort County Schools and the new school year. The pandemic school year is behind us as our students return to five days per week of instruction with no mid-week remote learning days. Daily student temperature checks and 6-feet social distancing are no longer required by the Center for Disease Control (CDC) as students will engage in high-quality instruction with an emphasis on social and emotional wellness. Our schools will open their doors again for student events and community activities as we are thrilled to return to a sense of normalcy. However, please give yourself enough time for a quick spray of hand sanitizer at the door and a moment to adjust your face covering as both actions continue to be recommended and/or required by the CDC for indoor experiences.

Beaufort County Schools has a renewed momentum this school year. Upon entering our schools you will see many new faces joining our superb faculties and staff across all of our schools. Joining us this year are new principals, assistant principals, teachers, teacher assistants, counselors, bus drivers, social workers, cafeteria assistants, academic tutors, graduation coaches, office assistants, and many more individuals with significant responsibilities of ensuring student success. These highly motivated individuals join our efforts to ensure students garner the valuable support and encouragement needed to successfully move forward from the academic issues associated with the pandemic.

Students will see new opportunities within many of our schools this year including new English Language Arts (ELA) curriculum and a strong emphasis on digital tools for learning. All classrooms across the district have been outfitted with large-scale technology display boards for greater engagement for teachers and students. Teachers are using newly acquired technology including state-of-the-art laptops, web-cameras, robotics, and other technology gadgets, programs, and software that will inspire and capture the imagination of our students. Additionally, students will see an abundance of curriculum support resources in all classrooms and courses to encourage learning. Students will engage in their extra-curricular activities as clubs and sports return to a normal schedule.

Thank you for your continued interest in Beaufort County Schools. We continue to feel the love and support from our families, business partners, and community. Together, we will have a remarkable year, a year after the pandemic-year, where we will write a new chapter for all students as life-long memories will be created as students prepare for life after high school.

Sincerely,

Matthew Cheeseman

WELCOME TO

WASHINGTON

Welcome to Little Washington! We're thrilled to have you here, whether you are just passing through or staying for awhile.

To everything there is a season. Much like the rest of the world, our previous season was one for rest, planning, and growth in light of the COVID-19 pandemic. During this time we were reminded how much travel matters. Travel matters to our health, our economy, and to our communities. Our local attractions and businesses enhanced safety precautions and pivoted to provide new offerings with the same great service.

The energy from our vibrant downtown and the intimate charm of our historic neighborhoods will make you quickly discover why Washington is one of Eastern North Carolina's best kept secrets. There is truly something for every visitor to enjoy in Washington.

Our vibrant community is awaiting your discovery. We invite you to visit Little Washington and explore the diverse offerings our city has to share in the spring, summer, fall and winter!

See you soon!

Erin Ruyle

Erin Ruyle

Director of Tourism & Development
City of Washington

Whether you are visiting for the first time or trying to decide if this will be your new home I want to personally welcome you to our quaint, waterfront town. We are so glad you chose our town as a place to visit or relocate. As the director of the Chamber for over a decade, I have watched Washington and Beaufort County emerge into a place where commerce is thriving and businesses are a vital piece to the personality of Washington. Each of our businesses have a story to tell and we offer a unique shopping district with restaurants, art galleries, retail and more. Our entrepreneurs make us special and each one contributes to the success of our town and region.

As a native of Washington I have been proud to watch the progress in our business community. I encourage you to visit our wonderful stores and get to know the owners.

They are our biggest advocates of the area and have embraced Washington, its past and the future. Visit all of our towns in Beaufort County as they each have unique shops and restaurants. We often hear that it is the people that make our town unique. I would agree. Our people are extraordinary, and we hope that you enjoy meeting them and perhaps decide you want to be a part of our community. Either way we welcome you with a big "Hey Y'all" and we are glad you are here.

VISIT

BEAUFORT COUNTY

BATH

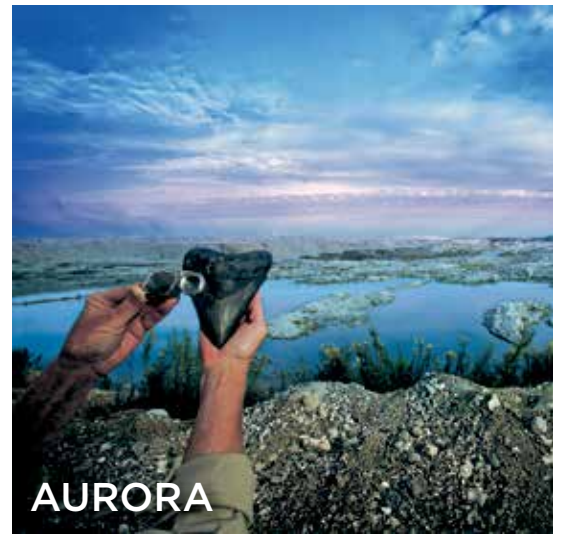

- See St Thomas Episcopal Church, the oldest church building in the state.
- Stroll the waterfront at Bonner's Point. Grab a hot dog or an old-fashioned cheeseburger at one of the local grills.

Learn about the notorious pirate, Blackbeard, at the Historic Bath Site Visitor Center and Exhibit Hall.

- Call one of many local captains to charter a relaxing boat ride or a fishing excursion.
- Finish your day with dinner at one of Bath's restaurants with a cold one in North Carolina's oldest town.

CHOCOWINITY

- Take a delightful ride on the Bayview Ferry on the east side of Bath to Aurora. A large phosphate mine in the area gives both paleontologists and fossil enthusiasts a unique opportunity to collect and study fossils from prehistoric times. The Aurora Fossil Museum, located in town, includes a wide variety of marine fossils from the Pleistocene, Pliocene and Miocene eras, as well as Native American artifacts from the area.
- For lunch, savor a shrimp basket and a piece of lemon meringue pie from a nearby restaurant.

- Stay at a local motel or airbnb. In the morning, head over to Cypress Landing to experience golf at its finest, a warm and welcoming environment. Enjoy a delicious lunch at a local eatery.
- For afternoon entertainment, try your hand at a friendly game of paintball or have fun at the local skating rink. For dinner, delicious Asian cuisine, or some down home country cookin' from a local deli.

So many of the Downtown restaurants and shops are pet friendly! They have fresh water and treats for your family pet! We also have a free dog park. — Rebecca C.

BELHAVEN

- Located on the intercoastal waterway, you can wake up at your leisure and enjoy a nice breakfast at one of Belhaven's B&B's...or have breakfast at a local diner.
- With a rich cultural heritage that spans over two centuries, Belhaven is home to eclectic shops and boutiques each offering a wide range of items, antiques, and curiosities that can't be found anywhere else.
- While shopping take notice of the architecture of the buildings.
- There are several restaurants in the downtown area open for lunch. You can find everything from country cooking to fresh seafood and a "beef sandwich".
- Tour the Belhaven Museum, open every day 1-5 p.m., except Wednesdays and Sundays. It's like no other museum you've ever seen!
- Experience the beauty and natural resources of the Pungo River/Pamlico Sound on a local charter boat or fishing venture.
- Drop by the Chamber office (open Tuesday-Friday 10 am until 4 pm) and pick up your Tour of History and Trivia flyer.
- Dine in one of Belhaven's fine downtown restaurants.

PANTEGO

- With a population of less than 200 people, Pantego is Beaufort County's smallest incorporated town, but it's got plenty of charm.
- The town sits on Pantego Creek, a tributary of the Pungo River, and is home of the Pantego Academy Museum, where the rural eastern North Carolina way of life has been preserved. In town, there's a community park; just out of town, there's Terra Ceia Farms, world-famous for its tulip and peony bulbs that bloom in the spring.

SHOPPING

Ready for some serious retail therapy? Head to downtown Washington, where you'll discover a cache of unique boutiques to satisfy that shopping itch.

Stop by the Washington Visitor's Center for a directory of local merchants.

DINING

If you are what you eat, then Washington is pretty darn amazing! Locally owned is our secret recipe. With the majority of our restaurants being locally owned, and some of the best craft cocktails and brews to wash down all of our culinary accolades, we welcome you to pull up a chair and dig in. The City's full of some of the best little places you'll ever eat, and some of the most interesting people you'll ever meet.

A Tideland Energy Cooperative

Tideland EMC

Real People. Real Power.

We have the blueprints for an energy efficient home.

Air leaks in your home can be hidden in walls, floors, basements and attics, or in your ducts. According to the U.S. Department of Energy, around 30% of heated or cooled air never reaches you. Instead, it leaks behind walls and out the attic or basement. Leaks cost you money on electric bills, and they make you uncomfortable.

Our energy auditors start with a survey to determine observations, behaviors, needs, and desires of the homeowner.

If you don't test, it's just a guess. We look at your home as a system with each component impacting the others. We determine the needs of your unique home, and prioritize recommendations for energy savings. Our home energy audit identifies potential problems and provides access to cash rebates to help you pay for the improvements.*

If you own a home, or plan on building a residence within our service area, call Tideland EMC and get started with a **FREE** energy audit today!

The 'Crabs on the Move' project started in 2006. The Pine Needles Garden Club started this venture as a way to give back to the community in Washington. The crab statues were auctioned off to different organizations and businesses at a 'Crab Ball,' a black tie event that was held at the Washington Civic Center. The money raised went to local charities. The crabs were painted and decorated by local artists, then displayed in town. At that time, the statues would be moved to different parts of town on occasion. Thus the 'Crabs on the Move' became the name of the initiative.

Project objectives included providing a marketing tool for tourism, raising money for local charities, tying in with the Estuarium's existing logo, providing an icon for tourists and locals in which to identify Beaufort County, and bringing Beaufort County's first outdoor art exhibit to life - a showcase for our local artists.

The project eventually took a new direction when they were bought by various businesses, organizations, and individuals, (many were repainted) and were placed in permanent spots throughout Washington and Beaufort County.

Here is a list of the crab statues with locations and photographs for families, individuals and other groups to use as a type of 'scavenger hunt' to find and post your pictures.

If we have missed a crab statue, let us know where it is, and we will add it!
