## T O W A S H I N G T O N

**W**elcome to Washington! Whether you are visiting for the first time or trying to decide if this will be your new home I want to personally welcome you to our quaint, waterfront town. We are so glad you chose our town as a place to visit or relocate. As the director of the Chamber for over 16 years, I have watched Washington and Beaufort County emerge into a place where commerce is thriving and businesses are a vital piece to the personality of Washington. Each of our businesses have a story to tell

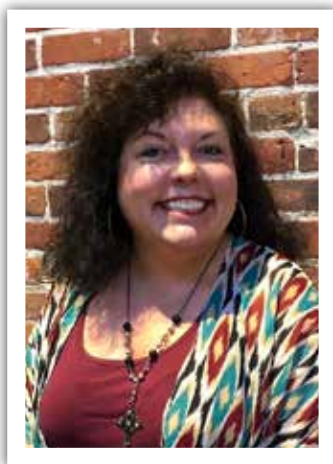

and we offer a unique shopping district with restaurants, art galleries, retail and more. Our entrepreneurs make us special and each one contributes to the success of our town and region.

As a native of Washington I have been proud to watch the progress in our business community. I encourage you to visit our wonderful stores and get to know the owners. They are our biggest advocates of the area and have embraced Washington, its past and the future. Visit all of our towns in Beaufort County as they each have unique shops and res-

taurants. We often hear that it is the people that make our town unique. I would agree. Our people are extraordinary, and we hope that you enjoy meeting them and perhaps decide you want to be a part of our community. Either way we welcome you with a big "Hey Y'all" and we are glad you are here.

On behalf of the Beaufort County Board of Education, I welcome you to the 2023-2024 school year. I am excited to share that Beaufort County Schools is committed to providing a world-class education for all students through dynamic instruction provided by a superior core of professional educators. As the new school year begins, please know our teachers and staff are excited and ready to engage your students!

Please welcome our new administrators, teachers, and school employees to an exciting year of teaching and learning throughout the county. Our teachers and administrative teams are ready to provide an educational experience that is purposeful for all students to attain the skill sets and content that ultimately equips them for life after high school.

I am confident that as Beaufort County Schools teachers embark on this new school year, they will develop and implement new learning strategies to ensure that all students master a thought-filled curriculum. This means that students will have daily lessons that will stretch them to think and reason. As each school day concludes, please continue to engage your student(s) about their learning. Talk with them about their daily successes, challenges, and feelings. It is extremely important that we recognize, support, and embrace students with the rigor associated with learning expectations and aspirations.

As the school year starts and progresses, I encourage all parents to support their children's learning at home. Please continue to connect with teachers, administrators, and counselors to identify both areas of success and concern that may need greater attention. Additionally, please demonstrate a positive attitude about teaching and learning, athletics, extra-curricular activities, and community engagement with your children. Please encourage your student(s) to be invested in their learning and involved in the opportunities school provides to them. Always remember the importance of reading every day with your student(s) while spending time together.

Thank you for your continued support of Beaufort County Schools as we embark on a fantastic school year for our students and community.

Sincerely,

*Dr. Matthew Cheeseman*

## BELHAVEN

Located on the intercoastal waterway, you can wake up at your leisure and enjoy a nice breakfast at one of our B&B's...or have breakfast at a local diner.

With a rich cultural heritage that spans over two centuries, Belhaven is home to eclectic shops and boutiques each offering a wide range of items, antiques, and curiosities that can't be found anywhere else. While shopping take notice of the architecture of the buildings.

There are several restaurants in the downtown area open for lunch. You can find everything from country cooking to fresh seafood and a "beef sandwich".

Tour the Belhaven Museum, open every day 1-5 p.m., except Wednesdays and Sundays. It's like no other museum you've ever seen! Experience the beauty and natural resources of the Pungo River/Pamlico Sound on a local charter boat or fishing venture.

Drop by the Chamber office (open Tuesday-Friday 10 am until 4 pm) and pick up your Tour of History and Trivia flyer.

Dine in one of Belhaven's fine downtown restaurants.

With a population of less than 200 people, Pantego is Beaufort County's smallest incorporated town, but it's got plenty of charm. The town sits on Pantego Creek, a tributary of the Pungo River, and is home of the Pantego Academy Museum, where the rural eastern North Carolina way of life has been preserved. In town, there's a community park; just out of town, there's Terra Ceia Farms, world-famous for its tulip and peony bulbs that bloom in the spring.

## INSIDER TIP

I fell in love with Washington a year ago, and moved here a month later. Goose creek state park is a gem, and the beach area is tranquil and beautiful. - Tim T.

Stay at a local motel or airbnb. In the morning, head over to Cypress Landing to experience golf at its finest, a warm and welcoming environment. Enjoy a delicious lunch at a local eatery. For afternoon entertainment, try your hand at a friendly game of paintball or have fun at the local skating rink. For dinner, delicious Asian cuisine, or some down home country cookin' from a local deli.

## CHOCOWINITY

## BATH

See St Thomas Episcopal Church, the oldest church building in the state. Stroll the waterfront at Bonner's Point. Grab a hot dog or an old fashioned cheeseburger at one of the local grills. Learn about the notorious pirate, Blackbeard, at the Historic Bath Site Visitor Center and Exhibit Hall. Call one of many local Captains to charter a relaxing boat ride or a fishing excursion. Finish your day with dinner at one of Bath's restaurants with a cold one in North Carolina's oldest town.

Take a delightful ride on the Bayview Ferry on the east side of Bath to Aurora. A large phosphate mine in the area gives both paleontologists and fossil enthusiasts a unique opportunity to collect and study fossils from prehistoric times. The Aurora Fossil Museum, located in town, includes a wide variety of marine fossils from the Pleistocene, Pliocene and Miocene eras, as well as Native American artifacts from the area. For lunch, savor a shrimp basket and a piece of lemon meringue pie from a nearby restaurant.

## INSIDER TIP

As an outsider, make it a full week to explore. We came only for a couple nights in February and it wasn't nearly long enough. We missed the Hackney and Bill's on Gladden Street along with the Underground Railroad museum. Grub Brothers and Down on Main kept us fueled from the walking tour and the absolutely beautiful boardwalk and waterfront strolls along with all the great little shops along West Main. On our way out of town we stopped at Bill's at Washington Square Mall and also grabbed some cheese biscuits at Mom's Grill. The Estuarium is a must as well. On second thought, two days was long enough to know we will be back for some warmer nights when the waterfront is full of people. - Ed C.

## Can you find them all?

The 'Crabs on the Move' project started in 2006. The Pine Needles Garden Club started this venture as a way to give back to the community in Washington. The crab statues were auctioned off to different organizations and businesses at a 'Crab Ball,' a black tie event that was held at the Washington Civic Center. The money raised went to local charities. The crabs were painted and decorated by local artists, then displayed in town. At that time, the statues would be moved to different parts of town on occasion. Thus the 'Crabs on the Move' became the name of the initiative.

Project objectives included providing a marketing tool for tourism, raising money for local charities, tying in with the Estuarium's existing logo, providing an icon for tourists and locals in which to identify Beaufort County, and bringing Beaufort County's first outdoor art exhibit to life - a showcase for our local artists.

The project eventually took a new direction when they were bought by various businesses, organizations, and individuals, (many were repainted) and were placed in permanent spots throughout Washington and Beaufort County.

Here is a list of the crab statues with locations and photographs for families, individuals and other groups can use as a type of 'scavenger hunt' to find and post your pictures.

We hope you enjoy this activity while social distancing.

If we have missed a crab statue, let us know where it is, and we will add it!

# Post this TOUR

No vacation is complete without the pictorial posts of all the fun things you saw and did. Washington has no shortage of selfie-ready sites and shopping spots just waiting for you to frame up and click. See below for a three-day tour of this historic river town guaranteed to fill your social pages with envy-worth pics.

## STOP 1: WASHINGTON CAFE

1 HOUR

Washington Cafe has a tempting array of baked goods: freshly baked breads, muffins, & pastries. They also offer tasty flatbreads, delicious sandwiches, lattes, teas, soups, and salads. Stop by for breakfast or lunch. You'll be glad you did!

## STOP 2: WATERFRONT

1 HOUR

Want to go on a crab hunt? Not for the kind you can eat, but for giant, vibrantly painted crab statues that make a great selfie partner. In 2006, 32 local artists each painted one of these large, fiberglass crabs as part of an outdoor community art project. The project raised a substantial sum for local charities. Though many have been "adopted" and moved out of town, you can still find six along the waterfront area, each decorated in a unique way.

## STOP 3: SNAP A "SHELLFIE" WITH THE TURTLES

.5 HOUR

There must be something in the water in Washington. Walk the boardwalk by the Estuarium and look left and right in the shallow waters to see a turtle convention of epic proportions. Green, mossy and bossy, they will flock to where you stand overtop of them, eager and willing to take any handout you'd like to throw their way. Look to the rocks and logs just out of the water and see how they've perfected sunbathing. Now that's how you elongate your neck for the perfect photo.

## STOP 4: THE ESTUARIUM

1.5 HOUR

Ever wonder why a nice cool drink of brackish water appeals to the turtles and other creatures you see on the Pamlico River? There's an entire museum dedicated to the subject. Welcome to the world's first Estuarium, an interactive center that explores estuaries, where saltwater and freshwater mix. Washington has more estuarine waters than anywhere on the East Coast. These waters form unique habitats for a lot of fish species. Come in to explore more than 200 exhibits and drink in some knowledge. The gorgeous driftwood sculpture in the lobby makes for a unique backdrop for a snapshot.

## STOP 5: ROVING RIVERBOAT CRUISE

1 HOUR

Climb aboard a shaded pontoon boat for the popular River Roving Boat Tour at the North Carolina Estuarium. Check the Estuarium's schedule and pre-register for these free, 60-minute guided tours take sightseers upriver to explore Castle Island, Martin's Bay, the Tar River and Bear Creek. Bring your camera, you're sure to see some osprey nests, lovely landscapes, and river otters along the way.

## STOP 6: DOWN ON MAIN STREET

1 HOUR

This is the locals favorite lunch spot for a reason. Friendly, casual, and bustling with people, Down on Main Street runs a tight ship during its lunch service. Shrimp, fried green tomatoes, sandwiches stacked high and crushed ice in your tea make for a satisfying tasty, mid-day break. Don't

worry if there's a line, it moves pretty quick.

## STOP 7: BIKE TOUR FROM RIVER VIBES

2 HOURS

To bike or not to bike: That is not a question. One of the best ways to experience Washington is on a comfy cruiser bike from River Vibes. Single and tandem, these rentable bikes have wide seats and a rack where you can strap down any purchases. It's a great way to see the town, shop, and let your body relax as you soak up the sun and cruise by the Pamlico. When you're done exploring, pop back in River Vibes for a refreshing, 100% crushed fruit smoothie. Try the "Castle Island," named after the island you can see from the riverfront boardwalk.

## STOP 8: TASTING AND TOUR AT THE HACKNEY GIN DISTILLERY 192 WEST MAIN STREET | WASHINGTON, NC

1 HOUR

It's time to see double and feel single. Awaken your taste buds with a gin tasting at The Hackney Distillery. The distillers here spent years honing and perfecting their award-winning 1000 Piers Gin. Let it roll around your tongue for a few seconds and awaken the full effect of the fresh botanicals, including orange and grapefruit peel, lemongrass, root ginger, galangal, kaffir lime and blueberries.

## STOP 9: DINNER AT TWO RIVERS ALEHOUSE

2 HOURS

Small-batch craft brews are a refreshing treat at Washington's newest brewery, Two Rivers Alehouse. The name is a nod to the Pamlico and Tar Rivers that meet just under the Highway 17 bridge in Washington. This dog-friendly pub is owned and operated by a group of friends who created a spot where people can come together to enjoy a drink and quick bites like charcuterie and other finger foods. Sit outside and bring your dog. Listen to live music while you sample a beer flight from their 8 taps. Ah, now that's vacation.

## STOP 10: ELMWOOD 1820S BED AND BREAKFAST INN

8 HOURS

Sit a spell on a sweeping wrap-around porch made for iced tea and summer breezes. For nearly 200 years Elmwood has been

the historic and architectural crown jewel of the "original"

Washington. Its lawn and expansive rooms have been home to prominent families over many generations. Today, Elmwood remains an icon of style and sophistication while charming guests as a luxury bed and breakfast. Privately owned, it offers one of a kind nightly accommodations, as well as a spectacular stage for the most memorable of events to those who were born to wander, find adventure, and seek respite in the most unique and curious of places.

## Day 2

## STOP 11: PAM'S DINER

1 HOUR

Buttery, cheddar cheese biscuits. Not that you need another reason to go to this warm, friendly breakfast joint, but you can expect a bottomless cup of fresh, hot coffee and some fluffy, fresh blueberry pancakes. Savory more your breakfast style? Try the corn beef hash with eggs how you like 'em. If it's all too much, don't take your food for granted, take it to go!

## STOP 12: GOOSE CREEK STATE PARK

2 HOURS

Located about 10 miles east of Highway 264, Goose Creek State Park offers over eight miles of hiking trails. As you meander through its boardwalks, you'll experience nature at its best. Listen carefully and you can hear woodpeckers that sound a lot like a laughing monkey. Head over to Mallard Creek and you'll find a hidden pier - the best place to reel in a few freshwater bass. Stick around for a sunset - bring a thesaurus but expect to run out of words.

## STOP 13: HAVEN'S GARDEN WHEEL

1 HOUR

Take a selfie with one of Washington's most beloved landmarks: the Havens Garden Wheel. A relic from an area lumberyard, the giant steel wheel sits at the water's edge just before the bridge on Park Drive. Kids of all ages love to climb it and at sunset it makes a fantastic silhouette against the Pamlico. Check out the inclusive playground while you're there, and watch for turtles and crabs waddling out of the river.

### STOP 14: BACKWATER JACKS

**1 HOUR**

Now that you've worked up an appetite, head over to Backwater Jacks. There's perhaps no other place in Washington that is so Washington. Hang out and enjoy the waterfront views. Savor the area's most unforgettable burger. While there, you might see Jimmy Buffett. He's been known to stop by on his way to Margaritaville.

### STOP 15: THE WANDER CO.

**1 HOUR**

Whoever said money can't buy happiness, simply did not know where to go shopping. One look in the window and you have to walk into the Wander Company. You may say you're buying a gift for a friend, but chances are you'll leave with one or two hand-crafted treasures for yourself. Jewelry, clothing, cards, a beach chair made just for your beverage, hand carved wooden trays—many created by North Carolina artists—stock this cheerful store. There's even something for your pet at the Wander Company.

### STOP 16: SOUTHERN NEST

**1 HOUR**

There is a fine line between shopaholic and helping the economy. This is a fact you will quickly come to realize at The Southern Nest. Swoon at the home decor and cottage farmhouse furniture. Find inspiration for your home in their selection of tables, lamps, jewelry, and gifts. Consult with one of their in-house designers who will be happy to help you think through a DIY project or space that needs a refresh.

### STOP 17: NAUTI LIFE

**1 HOUR**

You don't have to cast a wide net to catch a keeper at Nauti Life. Their friendly staff will steer you in the right direction for local artwork, kids' room decor, and other gift items. Get reeled in by a crab painted on a throw pillow, handmade beaded platters, or selection of Yeti coolers and tumblers.

### STOP 18: VAL'S GOURMET BAKED GOODS

**.5 HOURS**

Some only dream of cake. Others bake it happen. One look in the display case at the three-tiered cakes and you know

you've come to the right place. Val's Gourmet's grab and go coolers have what you want for breakfast or lunch. Savory tomato pies and dreamy quiches, muffins and cinnamon rolls are some local favorites, but the real show stoppers are those mile high cakes in flavors like carrot, chocolate cheesecake, lemon, and, straight after a Southerner's heart, a vanilla wafer lined banana pudding cake.

### STOP 19: TURNAGE THEATRE

**1 HOUR**

Step inside the Turnage Theatre and you're transported back to the 1920s. Art Deco chandeliers illuminate the 432-seat theatre. A grand stage awaits the next magical performance. You can almost hear the cheers, laughter and applause of the audience. Visitors can tour the restored property by appointment. The Arts Council has transformed the space at the front of the theater into an art Gallery featuring the work of local craftsmen. So even when there is not a performance, there is always something creative to experience.

### STOP 20: MULBERRY HOUSE

**1 HOUR**

Sun and breeze on your face, drink in your hand. Spend cocktail hour with one of the best river views in Washington at Mulberry House's rooftop lounge. This boutique hotel has it all: coffee shop, brewery, restaurant, and rooftop deck. For dinner, leave the decisions to the chef and opt for the six-course Chef's Tasting Menu with optional wine pairing, or tempt your palate with something from their main menu including Japanese charcoal grilled skewers and Yakitori, local crawfish, or ginger braised pork belly. You also can't go wrong ordering from their tempting list of snacks and appetizers—chorizo cheese bites and focaccia flatbread, anyone?

### Day 3

### STOP 21: GIDDY UP COFFEE

**1 HOURS**

Saddle up for your day with breakfast at Giddy Up Coffee House. Try a Western-themed specialty latte—the Buckaroo gives you a mocha with a shot of caramel while the Skinny Cowgirl corrals the calories with sugar-free flavor add-ons. Get it with a bagel and you're set for the morning. Don't forget to bring your li'l doggies, they'll be welcomed with a treat on the patio or in the drive-thru.

### STOP 22: AURORA FOSSIL MUSEUM

**2 HOURS**

Watch out for that Megalodon! Prehistoric shark teeth, shells, coral, and other fossils are yours for the finding at the fossil pits outside of the Aurora Fossil Museum. Bring your own sand sifter and walk away with a discovery. Inside the museum learn about the unique natural history of the coastal plains of North Carolina. Explore exhibits featuring Native American artifacts, fossils of all shapes and sizes. You may even walk away with your own precious gem.

### STOP 23: BILL'S HOT DOGS

**1 HOUR**

There's always that restaurant in small towns that's been there forever. It's a local tradition and no visit would be complete until you've been there and ordered. In Washington, that restaurant is Bill's. This place has been serving "nuclear-red" hot dogs since 1928. Bill's is takeout only: no tables, no chairs, no fuss. There are no fancy condiments, only mustard, onions, and chili. Don't even ask for ketchup. And Bill's special spicy chili is so good. Be sure to ask for your hotdog "all the way"! The

all-the-way dog is served with chopped raw onions adding a peppered kick, mustard, and the signature 'top-secret' meatless white chili sauce.

### STOP 24: INNER BANKS OUTFITTERS

**2.5 HOURS**

Most visitors to Washington are coming here to escape inboxes and schedules and to do lists. Here, doing nothing can be everything. That's why many visitors grab a kayak and head straight to the water. Paddling out on the waves is almost therapeutic. Follow the coastline or kayak over to Castle Island, home to a local brothel in the early 1900s. Along the way you may spot great blue herons or occasionally dolphins.

### STOP 25: UNDERGROUND RAILROAD

**1 HOUR**

See the faces. Read their stories of sacrifice. Understand what it took to escape from slavery. Climb aboard the restored Seaboard Coast Line Railroad Caboose and enter a pictorial history of slavery in Washington and Beaufort County. Part of the National Park Service "Underground Railroad Network to Freedom," this small museum has a big impact.

### STOP 26: HARBOR DISTRICT MARKET

**1 HOUR**

Downtown Washington is not the place you'll find another big box store. Around here, you can enjoy browsing through independent shops, boutiques and galleries. Start at Harbor Market District. It's home to 26 full-time vendors offering a little of everything. Pick up a few bars of handmade soap. Invest in a local landscape painting. Grab some produce from local farms. Or indulge in some local chocolates. (We won't tell anyone) You're sure to find a little piece of imagination that you can box up and take home with you.

### STOP 27: WASHINGTON CRAB AND SEAFOOD SHACK

**1 HOUR**

If you love seafood (and by that, we mean you eat everything you see) then you are going to love the Washington Crab and Seafood Shack. Fish, shrimp, oysters, crabs, clams, and more cooked to order. Everything is freshly caught, and you can taste it. So what will it be? Low country boil, bacon wrapped sea scallops, fried oyster burger, seared tuna. Maybe a combo plate is in order.

### STOP 28: PITT STREET BREWING ON THE PAMLIKO

Pitt Street OTP has a beer lineup with a variety of styles that will appeal to the average beer drinker: Lager, Ale, Pilsner, Kolsch, Amber Ale, IPA, Pale Ale, Wheat, Stout, Porter, and Sour. Beer lovers can enjoy beer by the glass, sample flights, and 32 oz growlers. Wine by the glass, hard cider and soft drinks are also available in the taproom.

## We have the blueprints for an energy efficient home.

Air leaks in your home can be hidden in walls, floors, basements and attics, or in your ducts. According to the U.S. Department of Energy, around 30% of heated or cooled air never reaches you. Instead, it leaks behind walls and out the attic or basement. Leaks cost you money on electric bills, and they make you uncomfortable.

Our energy auditors start with a survey to determine observations, behaviors, needs, and desires of the homeowner.

If you don't test, it's just a guess. We look at your home as a system with each component impacting the others. We determine the needs of your unique home, and prioritize recommendations for energy savings. Our home energy audit identifies potential problems and provides access to cash rebates to help you pay for the improvements.\*

### **BLACKBEARD MARKER**

Main Street

Walk in the footsteps of a pirate. Legend has it that Blackbeard (aka Edward Teach) was a tall, murderous pirate whose shiny black beard smoked when he walked. The infamous captain of the *Queen Anne's Revenge* settled in Bath after running his ship aground on a sandbar in Beaufort. Here, he received a royal pardon, which he promptly squandered by returning to the sea where he continued to rob and plunder with three pistols strapped across his chest. Skulk around the town he called home... before he lost his head in a bloody battle off Ocracoke Island in 1718.

Surveyor General for the Lords Proprietors. Known as the town's father, Lawson traveled the interior of the Carolina colony in the 1700s. He described the 550-mile journey in *A New Voyage to Carolina*, published in 1709. Lawson was killed by Tuscarora Indians while exploring the Neuse River in 1711.

### CRAB TRAIL

223 E Water St  
Washington, NC 27889

1 Hour

Want to go on a crab hunt? Not for the kind you can eat, but for giant, vibrantly painted crab statues that make a great selfie partner. In 2006, 32 local artists each painted one of these large, fiber-glass crabs as part of an outdoor community art project. The project raised a substantial sum for local charities. Though many have been "adopted" and moved out of town, you can still find six along the waterfront area, each decorated in a unique way.

### THE LEMONADE ART GALLERY

201 W Main St  
Washington, NC 27889

1 Hour

Making lemons into lemonade is the specialty at Lemonade Art Gallery. The five artist-owners of Lemonade were inspired to open their own space after a gallery hosting them closed unexpectedly. Now, they display and sell works by more than 27 artists. Photography, paintings, hand blown glass, and woodworks are just a few of the mediums you'll find in this gallery and gift shop. The artists also teach classes and workshops in the rear of the gallery. Now that goes down sweet.

### ART TYNDALL STUDIO

Beauty in the outdoors and the everyday are his subjects. Tyndall paints on location and captures his surroundings in oil on canvas. His original works depicting local scenes--downtown waterfront, landscapes, lighthouses, old cars and trucks, even Bill's Hot Dogs--are available for visitors to buy and bring home. And paintings of hot dogs have a lot less calories.
